Dear Mr. Halliwell -

D. King

Since you have been kind enough to send me news of my husband on two occasions I am taking the liberty of asking you to see that he gets the enclosed letter - If it is improperly addressed, will you please correct. If it is at all possible perhaps the letter may be forwarded thru your office channels or by messenger.

I make this request as it seems Mr. Savoldi has heard no news of us in the almost seven weeks he has been away and has written almost every day. His letters come regularly and Saturday, last, I had his second cable asking me to write, therefore he apparently still had had no news -

Thank you very much.

Cordially yours -

Luis Savoldi

(Mrs. Joe. Savoldi Jr.)
